🦇 SKILL TEST 🦇

A Barbarian's main focus is to do massive damage to monsters with Melee (hand-to-hand) weapons. They are particularly effective when wielding a two-handed Melee weapon.

07

60

WIS: 13

06

50

CHA: 11

05

🦇 SPECIAL POWERS 🦇

40

Damage Reduction – Each time you take damage, deduct 1 pt from the amount dealt. This applies to everything except end-of-room “Push” damage and Eldritch damage.

04

30

Greater Rage – Once per adventure the Barbarian can go into a state of Greater Rage to gain +6 to damage with all Melee weapons until the end of the combat. You may activate this Special Power at any time as a **Free Action** by alerting the DM. (1/game)

03

20

10

Two-Handed Damage Bonus – All successful attacks made with a two-handed Melee weapon deal +4 damage.

❖ SKILL TEST ❖

Monks must rapidly slide two pucks in quick succession with the same hand. The 2nd puck must leave the player's hand before the 1st puck stops moving. If not using a Flurry of Blows-compatible weapon they slide only one puck instead.

❖ SPECIAL POWERS ❖

Combat Prowess: +5 AC from Martial Training (Total AC 17)

Deflect Missiles: Immune to non-magical missile attacks

Diamond Body: Immune to all types of Poison

Dragon Strike: Flurry of Blows attacks are treated as +4 weapons with regards to a target's weapon immunity defense

Feather Fall: Take no damage from falling 60 feet or less

Flurry of Blows: Use 2 pucks with fists/FoB-compatible melee weapons

Improved Evasion: Take no damage if you succeed on a required Reflex saving throw; take ½ damage if you fail that roll

Stunning Fist: Your first natural 20 slide using Flurry of Blows Stuns* target for 1 round (1/combat)

*Victim cannot move or take any actions; -2 to their AC

08

70

INT: 11

🎭 SKILL TEST 🎭

07

60

WIS: 13

When attacking in Melee, instead of sliding one puck Rangers simultaneously slide two pucks—one in each hand.

06

50

CHA: 13

🎭 SPECIAL POWERS 🎭

05

40

Dual-Wielding Fighting Style: When a Ranger slides a Melee attack, they do so by sliding two weapon pucks at the exact same time—one in each hand. Their main Melee weapon can be any one-handed Melee weapon marked usable by a Ranger, but their off-hand Melee weapon must be usable by both Ranger **and** Rogue. When making Ranged attacks, Rangers slide only one puck.

04

30

Favored Enemy: +2 weapon damage against Undead.

03

20

Sharpshooter: +4 damage with all Ranged attacks. This is a passive ability, so you never need to announce that you are using this Special Power.

Blessing of St. Lorca: You may gain both the treasure and the clue from a successful skill check. (1/game)

DEX: 19

CON: 11

🎭 SKILL TEST 🎭

In puzzle rooms, Rogues will have an opportunity to perform a test of dexterity by tracing a winding path without lifting the stylus or touching the sides of the path. If successful, you may choose either a clue to help your party or a random treasure token to keep for yourself.

INT: 11

WIS: 11

CHA: 15

🎭 SPECIAL POWERS 🎭

Flank Attack: Once per combat, instead of attacking during a combat round, a Rogue may place a slider anywhere on the combat board with an upside down token in it. The Rogue may remove the slider at any time, but it cannot be manually adjusted once placed. Even if the slider is removed mid-round, Rogues may not attack the same round the puck is placed or removed.

Improved Sneak Attack: Once per combat, rogues are capable of doing lots of damage (weapon damage +20 pts) if they take one round to sneak up on a monster before they strike with a Melee weapon. If they successfully hit, they do the indicated weapon damage plus an additional 20 points. This Special Power does not work against monsters without vital anatomy, including Constructs, Oozes, Plants, and Undead.
